STATINTL

MEMORANDUM FOR MR. HOUSTON

SUBJECT: Representation Allowance for [REDACTED]

1. At the present time [REDACTED] continues as a bona fide FSRO, Class III. The responsibilities which OPC wishes [REDACTED] to exercise are contemplated by the [REDACTED] [REDACTED] et seq. It would appear that Mr. [REDACTED] services are "over and above" his duties and responsibilities to State and that a representation allowance, if otherwise appropriate, appears proper.

2. The Regulations contemplate the submission of a written agreement with the individual to the General Counsel for review and final submission to the Director.

3. In this case, approval of the representation / allowance would appear to be proper, subject to the submission of a written agreement at an early date.
